Hi Brittany,

Evidently I did not review the NJ QAPP closely enough and it does not comport with my methods. I don't know what a corrective process entails.

Hello,

In the attached draft QAPP file, I responded to comments and added/changed/edited with a light touch to make it comport with what I hope to do. If the substance of my suggestions is acceptable, then it should be acceptable for my purposes. I am guessing you are up to bat Andy.

John

Attached is the revised version with remaining comments on the NJ QAPP for Andy and John to review as soon as possible. I met with Mark today to go over as many comments as we could and accepted suggested edits for most items. Please revise so we can get this signed next week.

Thanks,
Sania
